This report has been produced and compiled by Fullermoney, a division of Stockcube Research Limited which is regulated and authorised in the UK by the Financial Services Authority, according to the requirements of the Financial Services and Markets Act 2000. It is distributed by Stockcube and is provided for information purposes only. Under no circumstances is it to be used or considered as an offer to sell, or a solicitation of any offer to buy. While all reasonable care has been taken to ensure that the information contained herein is not untrue or misleading at the time of publication, we make no representation as to its accuracy or completeness and it should not be relied upon as such. From time to time Stockcube and any of its officers or employees may, to the extent permitted by law, have a position or otherwise be interested in any transactions, in any investments (including derivatives) directly or indirectly the subject of this report. Also Stockcube may from time to time perform other services (including acting as adviser or manager) for any company mentioned in this report. The value of securities can go down as well as up, and you may not get back the full amount you originally invested. Derivatives in particular are high risk, high reward investment instruments and an investor may lose some or all of his/her original investment.
